

Robotics Team Pre-Application Form - NB

Nova Scotia Skills Competition

Note: Applying to compete in the robotics contest begins with a teacher submitting an application form for their school's robotics team or club in the Fall. In January, individual team members will register online at skillsns.ca.

Team Size: A robotics team is a team of two students. However, there is no limit to the number of students that can build the robot in the months leading up to the contest, but only two students will register to represent their team and be allowed on the play field during the contest.

School Name: _____ Teacher Email: _____
Teacher Name: _____ School Mailing Address: _____
Teacher Phone #: _____

Competitors must be a Canadian Citizen or Landed Immigrant.

Contest Area. Please select (✓) the contest area your school would like to compete in:

Agreement

For each contest, there is a contest description that identifies the purpose of the challenge, criteria, the number of competitors, the skills to be tested, the duration of the contest, prerequisites, equipment and materials, and how judging will work.

- I agree that I will review the contest description at **skillsns.ca** with my students and come to the Competition prepared with all necessary supplies and tools.
- I agree that I have reviewed the official regulations of the Competition and agree to the terms.

Registration Fee - an \$80 non-refundable registration fee is required for accepted teams.

Please specify how the \$80 fee will be paid, if accepted:

- I will be delivering \$80 (payable via credit card, cash, cheque or money order) to the SCNS office (800A Windmill Road, Suite 4, Dartmouth)
- I will be mailing a cheque or money order for \$80 made out to Skills Canada - Nova Scotia.
- Please invoice my school who will be covering the \$80 fee:

School contact name: _____ School phone: _____
School mailing address: _____

***Age limit:** Only competitors who are between the ages of 13 and 21, as of January 1, 2018 are eligible to compete.
